### Organize a Donation Drive:

Ask your club, church, place of business, etc. to donate items from our wish list as a group project.

### We Love our Volunteers:

Do you have a special skill that could benefit our youth, staff, or facility? We can use volunteers to do everything from yard work to fundraising event work. We also need volunteers in the community that can help us when we have a special need for the youth – everything from haircuts to tutoring. If you think you can lend a hand, please inquire about volunteering. *There is an application process and a required background check due to the protected population we serve.*
